Ayer's Sarsaparilla.
FOR PURIFYING THE BLOOD.
AND FOR THE SPEEDY CURE OF SCROPHULOUS DISEASE.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for \$1. Most of those have been funds upon the sick, for they not only contain little if any Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still robbery doubtless the intrinsic virtues of Sarsaparilla when they are properly secured and combined for a medicine. It is only worthless preparations of it that have disengaged the sick, by failing to afford the expected relief. Here we have a compound that does find a single patient who has taken it without benefit.

Find in every case it was adapted to that it does not reach.

The following certificates from the great numbers we receive of those it does cure, and you will have still better evidence of its surpassing excellence when you give it a trial.

Dr. J. C. Ayer—Respected Sir: I should be willing to communicate with you if I did not acknowledge to you what your skill or name would bring me into. I am a humor.

which comes over me now and then in Autumn and Winter, with such violence as to render life most intolerable. It has been so long failing to render him comfortable, or to remedial aid has been able to help him out of his suffering, or to alleviate his suffering from the disease. When he began to complain of it, I gave him your Sarsaparilla. The suffering has been brought him up out of bed within two hours, and ever seen it before; but it has now entirely gone, so that he is comforted and relieved, and still continues taking the Sarsaparilla, to insure a complete expiation of the disease from the system.

Yours truly, J. C. AYER & CO., Lowell, Mass.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Read the following from the well known Capital of the steamer Fulton:

New-Orleans, Oct. 3, 1859.

Dr. J. C. Ayer, Lowell, Sir:—I am urged by my wife to re-

quest you to give our Sarsaparilla has made in our family, and

it is the only way in which we can make you any acknowledgment of our gratitude.

I will proceed to tell you about my son, eleven years old, who has been ill for six weeks, neck

and chest pain. They were much of the time very distressing, and we feared they would kill him. At first a swelling

would appear, then it would break and make a tumor, which would not heal. They became very painful and difficult to bear.

At length, however, they disappeared.

A physician in our neighborhood, who had some remarkable cures by your

Physical Medicine, told them to try your Sarsaparilla, and we did.

The smallest doses showed symptoms of improvement.

After a week, the child was two months better, and in two months the child was quite well again. He now enjoys perfect health,

with no remnant of the disorder about him that we can discover.

If you, Sir, are a parent, you may well believe that we shall not soon forget you.

Very truly, your obedient servant,

JNO. W. BAKER.

STORY'S Coughing Tincture, No. 10, Aug. 1861.

Dr. J. C. Ayer—Dear Sir:—I beg to call your attention to tell you that the new CATHARTIC Pills have done well for me. I had been afflicted with Liver Complaint for six years, during which I was never well, and suffered the time very sick. My liver was on the touch, and I could not bear to move it. I suffered from every kind of Disease, except Consumption. My skin was pale and unhealthy; my eyes and skin often yellow. Occasionally I had a violent grippe, but generally none at all. A dreadful sensation of oppression on my stomach, with languor and a heavy sensation in my head, and a Husky Voice or a Bad Breath, or any difficulty of the Throat, to get a package of my

medicine, and I have had a great many more.

Your Sarsaparilla has done well for me, and I have had a great many more.

But it yielded

no good results.

But in Sarsaparilla, the above heart, and it is well known that it is good for the heart.

It is well known that it is good for the heart.
